Core Skills

- Full-stack web application development
- Version control and collaborative development
- software debugging and testing

Languages

- Sinhala: Fluent
- English : Basic Proficiency

Profile

I am a third-year BSc (Hons) Information Technology student at SLIIT with strong full-stack development experience. I have built web applications using React, Node.js (Express), Spring Boot and databases such as MySQL and MongoDB. I work well in agile teams, write clean code, and solve problems with attention to detail.
